Spring Plant Pre-Sale Order Form

The 2019 Quad City Botanical Center Plant Sale is here! Use this flyer to purchase your plants from the comfort of your own home. Our horticultural team has selected beautiful annual and perennial plants, as well as easy container combinations for you. We also have favorites from all our staff members! Proceeds from the sale support the educational mission of the center.

Mark your selections and return this form by **Saturday April 20**. Payment is due with order form* - orders can be sent via mail, email (service@qcgardens.com), over the phone (309-794-0991), or dropped off in-person. Plants may be picked up during our Greenhouse Stock Plant Sale Friday May 10 and Saturday May 11, 10am to 5pm. Quad City Botanical Center members are invited to attend the Plant Sale Preview on Thursday May 9, 5-7pm.

*Plant supply is subject to availability from grower; plants will be substituted or guests can be refunded if the order cannot be fulfilled.

Staff Favorites

Our staff picked their favorite perennials. We hope you like them, too!

Key Lime Pie American Pie Pinks

Dianthus

Ami Jenkins, Executive Director

"I have always been a big fan of dianthus – it could be something in the name – sweet William – such history and romance! This year I have fallen for Key Lime Pie, with its gorgeous green eyes. Count on this color to be the talk of the town."

Perennial, Full Sun, Bloom Summer
10-12 in H x 10-12 in W, Zones 5-9
Creamy white, feathery flowers with red stems,
Sandy/average soil, dry water needs
Attracts butterflies/hummingbirds, Deer resistant

\$5 4" pot Qty: _____

Moulin Rouge Fleming Hardy Hibiscus

Hibiscus x moscheutos 'Moulin Rouge'

Kari Campbell, Rental Manager

"I love hibiscus for its big, bright, beautiful flowers."

Perennial, Full to part sun
3-4 ft H x 3.5 ft W, Zones 4
Bright 10" red flowers
Attracts pollinators

\$10 6" pot Qty: _____

Koi Geum

Geum coccineum

Greg Wolf, Education Director

"The flower is beautiful and reminds me of the fish in our Sun Garden."

Perennial, Full to part sun
8 in H x 10-12 in W, Zones 5-7
Bright orange flowers in summer; compact mound of glossy green foliage; Deer tolerant
Medium moisture, well-drained soils

\$5 4" pot Qty: _____

Bunny Tails Grass

Largurus ovatus

Marilyn Pulford, Membership

"I love bunnies and just think this grass is fun and a conversation item in my garden! Looks like a group of bunnies upside down!."

Annual, Full to part sun
12-20 in H x 12 in W
Soft, tufted flower heads in summer
Tolerates sandy soil and dry conditions
Good for ornamental plantings, container growing

\$5 4" pot Qty: _____

English Lavender

Lavandula angustifolia 'Hidcote Blue'

Sarah Balkovek, Accounting

"I love the relaxing aroma of lavender!"

Tender Perennial, Full sun, Bloom Mid Summer
12-18 in H x 12-18 in W, Zones 5-8
Deep purple flowers, good cut or dried
Needs good drainage and sheltered winter location
Attracts Butterflies; Deer/Rabbit/Drought Tolerant
Prune back to 8" in spring every 3 years
Does not like high humidity, use rock mulch

\$5 4" pot Qty: _____

Green Twister Coneflower

Echinacea purpurea 'Green Twister'

Dave Searl, Head Gardener

"Stunning to look at and irresistible to butterflies! This unique color combination will be an eyecatcher in anybody's perennial border."

Perennial, Full to part sun
35-39 in H x 13-14 in W, Zones 4-9
Yellow-green bleeds into pale lilac-pink center petals
All soil types and moisture levels; Great cut flowers
Attracts Butterflies/hummingbirds; Deer Resistant

\$5 4" pot Qty: _____

Brise D'Anjou Jacob's Ladder

Polemonium caeruleum

Kate Mapes, Assistant Gardener

"I enjoy the ladder-like leaves and it brightens up shady areas nicely."

Perennial, Partial shade
12-18 in H x 10-12 in W, Zones 3-9
Deep blue flowers, green & cream fern-like leaves
All soils; Average/moist water, Blooms early summer
Attracts butterflies, Deer Resistant

\$10 6" pot Qty: _____

Cheyenne Spirit Coneflower

Echinacea hybrida 'Cheyenne Spirit'

Laronda, NAPCA Guest Services

"I like Cheyenne Spirit because its colors are so bright. Bright vivid colors makes me feel warm."

Perennial, Full sun
12-30 in H x 18-24 in W, Zones 4-9
Vivid mixture of white, cream, red, pink, orange, yellow or purple petals with brown cone centers
All soil types and moisture levels; Great cut flowers
Attracts Butterflies/hummingbirds; Deer Resistant

\$10 6" pot Qty: _____
